Bat Out Of Hell (2004 production)

A new adaptation of of Johann Strauss, Jr.'s Die Fledermaus by David Scott Marley

Marley's brilliant adaptation gives a unique Berkeley spin to a tale that originally poked fun at the foibles of turn-of-the-century Vienna. Brought into our present time and place, it is fresher and funnier while remaining true to the spirit of the original.

Both recordings feature Jillian Khuner, Shawnette Sulker, Sonia Gariaeff, Martin Lewis, Jason Sarten, Fé Bongolan, Nicolas Aliaga. Available in two versions on DVD or CD only.

The Riot Grrrl on Mars (2002 production)

A new adaptation of Rossini's L'Italiana in Algeri by David Scott Marley

Rossini's commedia dell'arte farce undergoes a riotous transformation, but the shenanigans are timeless. There's no stopping a woman bent on interplanetary rescue -- the men (Martian or Earthling) can only gape and dodge while she ferrets out her missing lover and twists her galactic opponent around her finger. Berkeley Opera blasts the bel canto world into a new higher-energy orbit with this new adaptation. Musical direction by Jonathan Khuner, stage direction by Andrew Morgan. Available in two versions.

Item **RG1-D** (dvd), **RG1-V** (vhs), **RG1-C** (cd) - Sonia Gariaeff, Stephen Rumph, Cliff Romig, Wayne Wong, Sylvia Eowyn Bloom, Ariela Morgenstern, Nicolas Aliaga
